Enterprises

1 Changes in Number of Enterprises (Tokyo)

(10,000 enterprises)

Note The number of enterprises is the total of sole proprietors and Companies and does not include corporations other than companies.

Source MIC / METI "Economic Census for Business Activity"

2 Composition Ratio of Number of Enterprises by Size (Tokyo, 2021)

Number of small and medium enterprises
418,940 enterprises

Number of large enterprises
5,139 enterprises

Note The number of enterprises is the total of sole proprietors and Companies and does not include corporations other than companies. Small and medium enterprises (SMEs) are defined by the Small and Medium Enterprise Basic Act. Those that cannot be determined whether they are SMEs or large enterprises due to unspecified capitalization are considered SMEs. The number of medium enterprises is the number of small enterprises minus the number of medium enterprises.
