

About 130 meters separates the ticket gate at Keisei Kanamachi Station from the ticket gate at JR Kanamachi Station. Keisei Kanamachi Sta. and JR Kanamachi Sta. have wheelchair-accessible restrooms (with ostomate facilities).

Be careful as there are no sidewalks along the nearby roads and there is also vehicle traffic.

Passengers arriving on the platform for Kanamachi-bound trains must cross over railway tracks within Shibamata Station to reach the ticket gate.

The elevator at the Katsushika Ward Tourism and Culture Center can be used to reach the Edogawa River embankment.
